Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22314-1450

June 25, 2004

Sir:

Applicants request a corrected Filing Receipt in view of an error in the original filing receipt. More particularly, the priority claim to Finnish patent application 20011973, filed October 10, 2001, is missing. A marked-up copy of the filing receipt showing the omission in red ink is attached for the convenience of the Office.

Issuance of a corrected filing receipt showing the foreign priority data is requested.

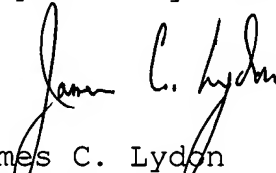

It is not believed any fee is payable for issuance of a corrected filing receipt because this error occurred due to Patent Office mistake, as demonstrated by the attached copy of the Claim to Priority. Nevertheless, the Commissioner is authorized to
